

Transit Shelter Concepts

Big Picture Outlook

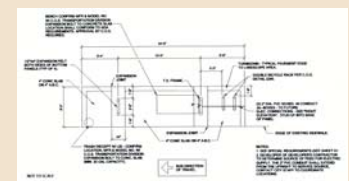

- Kit of Parts Design
- Adaptability for Future High Capacity Transit
- Strengthen Scottsdale Road Identity

Program Elements

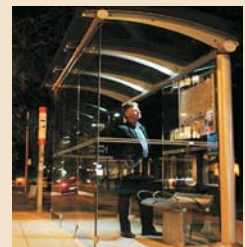

- **Accessibility**
accessible walkways, ramps, seating and communication systems are essential
- **Communication Systems**
mapcase with schedule / electronic-nextbus system
- **Lighting**
traditional or solar powered
- **Public Art**
integrate public art with shelter design
- **Solar Power**
integrate photo voltaic panel with shelter design
- **Shading**
especially during "heat event" months
- **Seating**
fixed and ADA positions
- **Weather Protection**
both horizontal and vertical
